Re: United States v. Apex Building Company, Inc. Case No. 23-CR-7838 (JHR)

Dear Judge Rearden:

We represent defendant Apex Building Company, Inc. (“Apex”) in the above-referenced matter. On October 31, 2023, the Government filed its Motion to Enter Consent Decree and a supporting memorandum. See Docket Entries 4 and 5. We write today to advise the Court that Apex has no objection to the relief sought in the Government’s motion and joins in the Government’s request that the Court enter the Consent Decree.

Respectfully submitted,

Abell Eskew Landau LLP
